

Maryland State Highway Rights-of-Way Nighttime Paving Rescheduled

**Project
Description:**

The City's paving contractor, *M. Luis Construction Co. Inc.*, will resurface roads where utility repairs were made last year. The construction will occur along Rockville Pike (MD355) between First Street and Dodge Street, along Veirs Mill Road (MD586) between Dodge Street and Baltimore Road, and in front of 217 West Montgomery Avenue. Construction was originally scheduled to take place from July 13-17 between 9 p.m. and 6 a.m. but was postponed due to weather and contractor delays. The work will now take place from July 25-31 between 9 p.m. and 6 a.m. Crews will remove and replace the base section of the road and will resurface the road.

The State of Maryland requires construction to be performed at night to minimize the impact on traffic and adjacent properties. Impacts during nighttime construction include temporary lane closures and construction noise. Access to driveways will be maintained throughout the construction period.

Purpose:

Repave streets where the Department of Public Works replaced a water line along Rockville Pike (MD355) and Veirs Mill Road (MD586) and repaired a sewer on West Montgomery Avenue (MD28).

Location:

Rockville Pike (MD355) between First Street and Dodge Street; Veirs Mill Road (MD586) between Dodge Street and Baltimore Road; and West Montgomery Avenue (MD28) in front of house number 217.

Timeline:

Construction is anticipated to begin July 27 and end by July 31, weather permitting.

Cost:

\$50,000 (estimated).

Contact:

Dan Stevens, City of Rockville Construction Inspector II, at 240-314-8552 or dstevens@rockvillemd.gov

Hjarman Cordero, City of Rockville Neighborhood Resources Coordinator, 240-314-8344 or hcordero@rockvillemd.gov
